#seansidi

Age: 19
Height: 5' 5"
Weight: 120 lbs
Race: Asian/Caucasian
Hair: Dark Brown
Eyes: Dark Brown
Clothing: Last seen wearing the clothing in this surveillance photograph.

Black and grey hooded "North Face" rain jacket, blue jeans, and black canvas shoes with white soles.
Identifying features: Sean has braces on teeth as seen in picture. Surgical scars on right side of head from brain surgery, healing fracture on left wrist and wearing a black splint on arm. Right eye droops slightly.

\$5,000.00 REWARD

Sean Sidi was last seen on May 21, 2013 at 150 Oak Street in San Francisco, CA, at approximately 11:40AM. Sean is determined "high risk" and in need of immediate medical attention after suffering from a severe traumatic brain injury (TBI). According to Dr. Geoffrey Manley, Chief of Neurosurgery at San Francisco General Hospital, Sean's medical condition puts him at significant risk of death, if he is not found quickly.

ANYONE WITH INFORMATION IS URGED TO CALL

SAN FRANCISCO POLICE DEPT.
